Welcome to Seattle!

A word from our Chair Mike Brisbois

What a great opportunity to be a consultant in the Greater Seattle area. Networking can connect you with the right people at the right time. There is a vast amount of data out there and we want to help turn it into useful information so you can grow your consultant business, acquire new clients, and give back to the local community. Knowing your needs and aspirations we can connect you to the right person or company. We do all the heavy lifting for you. As a team we are counting on you to help us connect others with opportunities and other consultants in your field. We welcome the revitalization of our local IEEE Consultant Network Seattle.

We had our first Zoom Meeting of the new year on April 28, 2020 and have some great news to share with you. Our goal at CN Seattle IEEE is to connect you with other consultants, to create a member directory so you can access others and share ideas and contacts. Third, our goal is to provide informative, new, and relevant TED or Tech Talks. On Tuesday May 26, 2020 at 7 pm we will have a tech talk on Virtual Reality and Safety Training by Stephen Byers, PE. Hope you can join us. Sign up today at: https://events.vtools.ieee.org/m/229806

Tech Talk – Tuesday May 26, 2020 7 pm

We got the survey results back. We list the most popular answers.

1. What are you looking to get out of IEEE Consultant Network Seattle: Connections
2. What is your major field of study and/or business? Technical Management
3. How long have you been a member of the Network? Less than 5 years
4. Level of Education: College
5. What is your interaction with IEEE Consultant Network Events? Low

There will be another survey coming out shortly. We are trying to identify the needs of our network.

One way to meet up with fellow consultants is in an informal setting such as a Mariners game, Seahawks, Thunderbirds, Wine Tasting, Golf outing or Daniels Broiler. What type of events would you like to meet up with others and get connected?

The monthly Zoom tech talk and meeting is available if you missed it. Also meeting minutes are posted on the website. We are all inclusive. We want you to be comfortable with our members. We can make introductions for you and make connections to
IEEE Consultant Network Seattle

build your personal and professional network of colleagues. Now IEEE is offering all memberships to all societies at half price. This is a great opportunity to get connected and try it out!
